

# The Holy Ghost

The Wisdom of Rose regarding the Holy Ghost

The background of the image features intricate, ethereal patterns of light blue and white smoke or mist swirling against a deep navy blue background. These patterns create a sense of movement and depth, framing the central text.

**He Is**

God, the Third Person of  
The Trinity  
The Spirit of Christ

# What is His Function & Purpose?

He speaks to the Father and tells the Father what we have need of when we don't know

He purges us from all sin: burns out everything that is unlike God

He teaches us all things

The Holy Ghost brings all things to our remembrance

He cleanses us

He gives us the gifts of the Spirit for the perfecting of the saints

Without tongues (the evidence of having the Holy Ghost) we can never come into perfection

When the natural mind has no understanding of our need then the Spirit prays, edifying and strengthening our inner man. We must use our prayer language

He guides us into all truth

# What is His Function & Purpose?

The Holy Ghost gives us control over the flesh

He gives us discernment

He fills the earth

Tongues - the Spirit praying - *The Spirit speaks to the Father*

He helps our infirmities

He makes intercession for the Saints

He takes us into heavenly places and converses with us

The Holy Ghost brings the Law of the Spirit for the Sons - *Kings and Priests of the Kingdom*

He knows the way to Perfection

He is the Power within to help us live an overcoming life

# What is His Function & Purpose?

The Holy Ghost leads us into and through chastisement

The Father leads us into this complete Spirit life by the Spirit and by a knowledge of Jesus Christ -  
*through the Spirit, by the Word, through the Word*

He gives us power to resist the things of the flesh, if we will seek the Spirit and if we will try

By the Spirit we learn to overcome

By the Spirit we put down all sin in our lives

Through obedience to the Spirit this carnal nature is taken out

The Spirit is almost useless without the flesh; and the flesh is nearly useless without the Spirit

There are different realms in the Spirit

# What is His Function & Purpose?

He makes us fit to be partakers of the inheritance of the Saints in light: And the light is the Spirit

He works with our hearts to remove these old roots, these old decayed things in us of the natural flesh

He is at warfare with the flesh

We are going to walk on an even keel – a level plane - by the Spirit

Only by the Spirit shall we know who we are

The Spirit was Adam & Eve's source of LIFE in their original creation before the fall; God breathed the breath of life, the life of the Spirit, the life of God, the eternal life into him

He makes us ***ALIVE!***

# Interesting Points from Rose

3 REALMS – Rose points out that there are those who are...

HOLY GHOST FILLED, but will never be overcomers

HOLY GHOST FILLED – Will be overcomers, but will never come into perfection – never rule & reign

HOLY GHOST FILLED – Overcomers, come into perfection & rule and reign with Christ

## More from Rose

It is time for us to know that some of us are going to be so pure we are going to be like the wind - here and there and everywhere. So is everyone that is born of the Spirit. This new Spirit being, in God's fulfilling of his time, is like the wind. This is a literal thing, appearing and disappearing by the Spirit as Jesus did after the resurrection.
